Buses should arrive by 7:15 AM to enter through the main bus gate. After 7:15 AM the gate will be locked and buses will need to enter the bus parking lot via the show barns. The bus parking lot will be the offsite location. Buses and JV teams can camp in this offsite location if you plan to bring all runners at one time. There will be plenty of space to spread out and stay safe. We will have two portable restrooms in the bus parking lot so that JV runners do not have to enter the on-site location where racing will take place. This will be the same for varsity runners when their races are completed and JV races begin. This parking lot and other areas in front of the show barns are great places for your teams to warm up and cool down.
